A vibrant green tree python is coiled on a weathered log. The snake's scales are a bright, uniform green with small, lighter green speckles. Its head is raised, and its eyes are visible. The background is a blurred, natural setting with more logs and foliage.

The python ->

# We made stuff!

By Jack and Tillman (team ghost)

We made a ghost that floats around in your computer

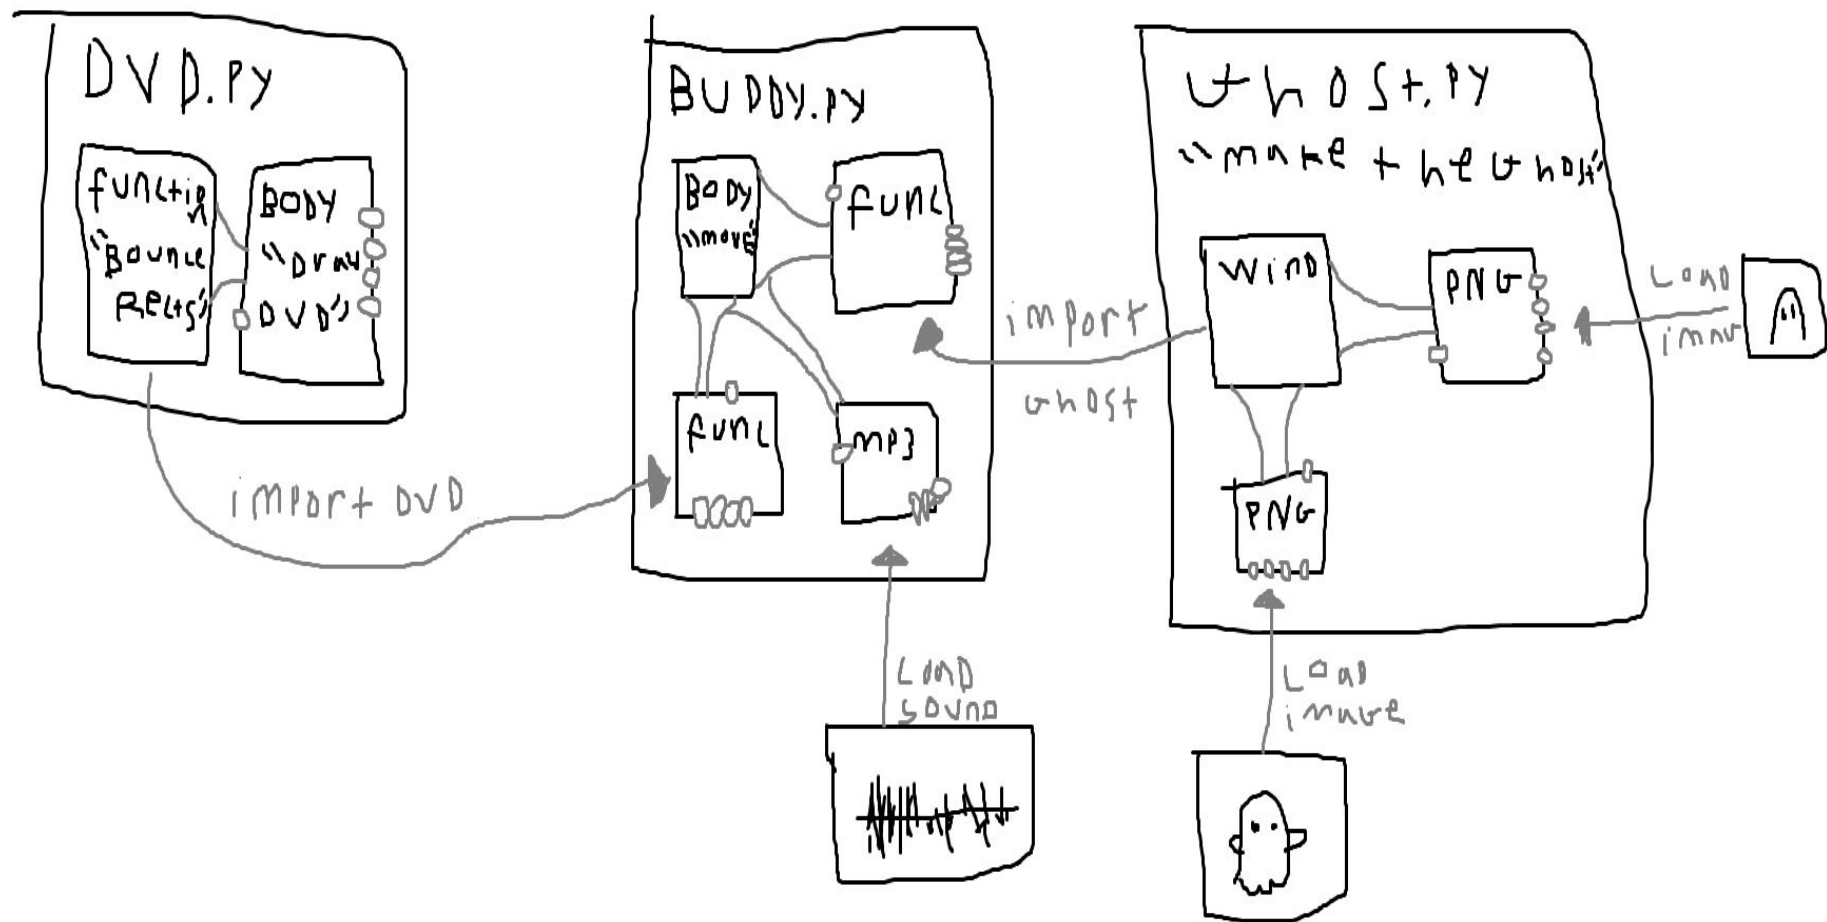

<-The ghost (she/her)

Tillman made a DVD bouncy thing that's also a library

He later used this to make the ghost bounce

The gameplay -> **DVD**

# Jack also made a DVD bouncy thing

**Corner Counter: 0**

**Time Played: 12:17**

**Total Wall Bounces: 29**

The End

Any questions?
